- About the Organization: **Inspire Arts & Music** is a not-for-profit organization whose programs seek to develop and 'inspire' young adults via a portfolio of performing arts programs. Our mission is to help them develop and demonstrate the qualities needed to achieve excellence in both their program and their personal lives. IAM program serve young adults from all backgrounds, typically from the early teens through college age. Our programs are based in New England but will draw membership from across the United States. Since inception, over 70,000 students have benefited from IAM programs
